1. Naming of Diesel Technologies Lab and Classroom

We celebrate the outstanding generosity of the Roland Family and support of the diesel industry. Roland Machinery Company, for more than 50 years, has provided heavy equipment customers with the machines, support, and service they need to achieve their goals.

As a third-generation family-owned company, their generous support of the communities they serve continues at Lincoln Land Community College. It is fitting that a college that has been supporting district residents for 56 years should recognize a significant gift commitment of \$500,000 from a family that will impact the lives of so many people for generations to come.

Per board policy: “The Lincoln Land Community College Board of Trustees shall approve the naming of all facilities and all other naming opportunities in accordance with established procedures.”

After consultation with the Roland Family and the LLCC Foundation Executive Director, board approval is needed for naming the Diesel Technologies Lab and Classroom in honor of the Roland Family and Roland Machinery Company.

MOTION NO. 05-24-23-4:

Mr. Fulgenzi moved to name the Diesel Technologies Lab and Classroom in honor of the Roland Family and Roland Machinery Company. Mr. Holaway seconded.

Upon roll call vote, those members voting aye were Dr. Davis, Mr. Elmore, Mr. Fulgenzi, Mr. Gates, Ms. Herzog (advisory), Mr. Holaway, Ms. Raymond, and Mr. Rosenthal. PASSED

B. President's Report

We are busy registering students for the upcoming summer and fall terms. Currently we are up 6.11% for summer and 18.8% for fall in headcount. We have started our summer schedule of being open Mondays through Thursdays until August 3rd.

The campus has been quieter since our wonderful Commencement ceremony, where we had three hundred students participate! Other ceremonies were held for nursing pinning, TRIO, and GED graduates.

Leading up to Commencement, we honored outstanding students and employees at recognition ceremonies.

The Outstanding Graduate award was presented to Trent Matthews of Mechanicsburg.

Luke Adams of Athens, Kortney Fisher of Taylorville and Austin Simmons of Springfield were honored as members of the Phi Theta Kappa (PTK) All-Illinois Academic Team.

Six LLCC Workforce Institute students competed in the SkillsUSA Illinois Championships in Peoria. We had three first-place gold winners, Dawson Bakunas of Divernon – culinary arts,

Brayden Booth of Beardstown – electrical construction wiring and Michael Kindel of Dawson – carpentry. The carpentry and electrical wiring gold winners each received \$500 worth of tools and the culinary gold winner received a set of professional grade pots and pans and a cookbook. All three advanced to the national competition.

Our 2023 Distinguished Service Award winners were: Faculty – Rebecca Miller, professor of psychology; Administrator – Dr. Joel Dykstra, interim associate vice president, academic services; Classified Staff – Elaine Higgason, program assistant, accessibility services; and Professional Staff – Laurie Clemons, student success coach.

We recently announced a \$500,000 grant from the Federal Aviation Administration (FAA) to support the training of future aviation mechanics. The grant aims to increase the number of individuals with airframe and powerplant credentials. Students entering the program this fall are eligible for free tools and books worth \$4,800 and up to 75% of tuition paid for the first two terms of the program, with an emphasis on recruiting women and students of color.

We also announced the signing of an agreement between LLCC and Illinois Wesleyan University that will allow eligible LLCC graduates in certain majors to transfer seamlessly to Illinois Wesleyan with junior status. Students will work with their LLCC success coaches to ensure they complete the courses that align with the agreement.

The spring 2023 Arts and Communication student showcase, “identity,” is now posted on YouTube, featuring the work of students in art, communication, digital media/film, music, and world languages. The new issue of the Lincoln Land Review is posted on our website, featuring student academic writing, creative nonfiction, fiction, poetry, and artwork.

LLCC Community Education is again partnering with the Lincoln Home National Historic Site and Springfield Convention and Visitors Bureau to present “History Cooks,” a series of free cooking and baking demonstrations of dishes from President Lincoln’s time. They begin this Saturday at the downtown Farmer’s Market and will then be held on Fridays at noon at the Lincoln Home Site.

Becky Parton, dean, Academic Innovation and eLearning, has been elected to the board of directors for the Instructional Technology Council. She will represent the North Central Regional member colleges in Illinois and nine other states.

Dr. Warren has been nominated and elected to serve again on the American Association of Community Colleges board.

C. Report from Faculty Senate

Mr. Justin Cobb, Faculty Senate Secretary reported that faculty is working closely with the Director of Student Engagement to collaborate more with students, focusing on consistent communication between departments and resolving issues regarding attendance and grade reporting to multiple entities. They have completed their work on board procedure 4.8 Evaluation of Student Performance.

Ms. Sanders reported that the annual faculty and staff giving campaign raised \$50,000, the Gala cleared \$110,000 and \$628,000 was recently approved for scholarship support.

K. Other Board Members' Reports

Mr. Rosenthal was happy to announce the birth of his granddaughter, Rylie Grace, on Monday, May 22.

V. Strategic Discussion

The board along with administration discussed the formation of a Decennial Committee on Local Government Efficiency. This new public act requires all units of local government that may levy a tax, to convene a Decennial Committee on Local Government Efficiency to study local efficiencies and report recommendations regarding efficiencies and increased accountability to the county board.

Discussed various topics, all agreed that the focus of the project will be the cost benefits of installing solar panels at the Main Campus.

Mr. Gates made a motion to form the committee with members consisting of the board of trustees, Dr. Warren, Tim Ervin, and Bryan Gleckler. All agreed.
