III. Action Agenda

A. Policies

1. Reinstatement to Board Policy 1.6 and Revision of Board Policy 1.7 and 1.25

In April of 2024, the U.S. Department of Education released final Title IX regulations to go into effect August 1, 2024. A team of employees, in collaboration with legal counsel, have reviewed the new regulations and made recommendations for compliance. Due to the more prescriptive, stringent procedures required for the adjudication of Title IX claims, we are recommending that all sex-based harassment and discrimination be moved from board policy 1.7 to board policy 1.25 to avoid confusion as to what procedures apply to what type of discrimination/harassment. With this separation, it became necessary to resurrect board policy 1.6 to have one, unified non-discrimination policy. Any deletions you see on board policy 1.7 reflect language that now resides in either board policy 1.6 or 1.25. Deletions in board policy 1.25 will be moved to procedure. Additions to policy ensure all required language is present.

As the new regulations have already gone into effect, we are requesting that first reading of these policies be waived as all changes are directly related to compliance with applicable law.

Board Policy 1.6 – Non-Discrimination

Policy Statement

Lincoln Land Community College shall not discriminate against any student, employee, prospective employee, or any other person ~~on the basis of~~ because of their actual or perceived race, color, religion, sex, national origin, ancestry, age, marital status, physical or mental disability, military status, political affiliation, sexual orientation, pregnancy, order of protection status, unfavorable discharge from military service or any other status protected by the provisions of the Illinois Human Rights Act or other applicable law. As such, it will not tolerate derogatory references by any student or employee with respect to differences regarding any such protected status. Discrimination by a student or employee shall be cause for disciplinary action including, but not limited to, expulsion of the student or termination of the employee. The College shall designate a compliance officer to assure compliance with these provisions.

In accordance with Illinois law, Lincoln Land Community College shall reasonably accommodate the religious observance of individual students in regard to admissions, class attendance, and the scheduling of examinations and work requirements. Any student who believes that there has been unreasonable denial of an educational benefit due to such student's religious belief or practices may seek redress through the Student Grievance and Appeals Process as provided in Board Policy 5.40.

Board Policy 1.25 – Sexual Violence, Dating Violence, Domestic Violence & Stalking Prohibition of Sexual Harassment and Sex Discrimination

Policy Statement:

[Lincoln Land Community College \(the “College”\) is committed to maintain a safe and healthy educational and employment environment that is free from sexual violence, dating violence, domestic violence, stalking \(hereinafter collectively referred to as “sexual violence”\) and sex discrimination, which includes discrimination and harassment based on sex, sex stereotypes, sex characteristics, pregnancy and related conditions, sexual orientation, and gender identity and expression. Sexual violence jeopardizes the physical and emotional welfare of the College’s faculty, staff, and students, diminishes individual dignity, and interferes with educational, social and employment opportunities. This policy applies to all faculty, employees, students, and other individuals participating in or attempting to participate in the College’s program or activities, including education and employment.](#)

[It is the policy of Lincoln Land Community College to comply with Title IX of the Education Amendments of 1972 \(“Title IX”\), the Violence Against Women Reauthorization Act \(“VAWA”\), Title VII of the Civil Rights Act of 1964 \(“Title VII”\), the Illinois Human Rights Act, the Jeanne Clery](#)

Disclosure of Campus Security Policy and Campus Crime Statistics Act (“Clery Act”), the Illinois Preventing Sexual Violence in Higher Education Act, and all other applicable laws and local ordinances regarding unlawful sex-biased discrimination, harassment or other misconduct.

Individuals found to have engaged in prohibited sex discrimination will be subject to disciplinary action, up to and including termination and/or expulsion from the College.

~~Lincoln Land Community College (the “College”) shall maintain a learning environment that is free from sexual violence, dating violence, domestic violence, and stalking (hereinafter collectively referred to as “sexual violence”). Sexual violence jeopardizes the physical and emotional welfare of the College’s students, diminishes individual dignity, and interferes with educational, social, and employment opportunities. Sexual violence is, therefore, expressly prohibited. The accompanying procedure for this policy sets forth the manner in which the College shall proceed once it is made aware of student sexual violence in accordance with the College’s institutional values and its legal obligations under Title IX, the Illinois Preventing Sexual Violence in Higher Education Act, and other relevant laws. Standards of appropriate sexual conduct shall apply equally to all students regardless of their sex, gender, sexual orientation, or gender identity.~~

~~Policy Purpose:~~

~~In furtherance of the College’s commitment to foster an educational environment in which all members of the College community are safe and secure, the College expects that all interpersonal relationships and interactions shall be grounded upon mutual respect, open communication, and clear consent. Upon learning of conduct that may not meet these standards, College students and staff are expected to take an active role in enforcing this policy.~~

As required under Title IX, the College does not discriminate on the basis of sex and prohibits sex discrimination in the education programs and activities that it operates. The College’s commitment not to discriminate and prohibition on discrimination extends to admission and employment.

The College has designated the Associate Vice President, Human Resources as the Title IX Coordinator, who is responsible for coordinating the College’s efforts to comply with its responsibilities under Title IX. Inquiries about the application of Title IX and 34 C.F.R. Part 106 may be directed to the College’s Title IX Coordinator, the Assistant Secretary for Civil Rights at the United States Department of Education, or both.

~~Jurisdictional Statement:~~

~~The College has jurisdiction to investigate any alleged violations of this policy that occur in the context of College programs or activities or that otherwise affect the College’s working or learning environments, regardless of whether that conduct occurs on or off campus. In circumstances where alleged sexual violence occurs outside of the context of College programs or activities or off campus, and where one or more of the parties are not members of the College community, the College’s ability to investigate and/or impose appropriate disciplinary sanctions may be limited. In such circumstances the College reserves the right to take such steps as it shall deem appropriate to investigate allegations of misconduct and provide appropriate resources to any student who is an alleged victim of sexual violence. Such resources shall include referrals to appropriate medical facilities, community-based crisis centers, and law enforcement authorities.~~

~~Policy Definitions:~~

~~I. ——— *Consent*~~

~~The College encourages students to communicate openly, honestly, and clearly in respect to their actions, wishes, and intentions regarding sexual behavior and to do so before engaging in intimate conduct. It is a requirement of the individual initiating sexual contact to ensure that consent is present before acting and is present during sexual activity. For the purposes of this policy consent is a freely given agreement to sexual activity and may be withdrawn at any time. The following do not constitute consent:~~

- ~~A. — A person's lack of verbal or physical resistance or submission resulting from the use or threat of force.~~
- ~~B. — A person's manner of dress.~~
- ~~C. — A person's consent to past sexual activity does not constitute consent to future sexual activity.~~
- ~~D. — A person's consent to engage in sexual activity with one person does not constitute consent to engage in sexual activity with another.~~

~~A person cannot consent to sexual activity if that person is unable to understand the nature of the activity or give knowing consent due to circumstances, including, without limitation, the following:~~

- ~~A. — A person is incapacitated due to the use of alcohol or drugs.~~
- ~~B. — The person is asleep or unconscious.~~
- ~~C. — The person is a minor or is incapacitated due to a mental disability.~~

~~If a person demonstrates signs of incapacitation, then that person shall be deemed to lack the capacity to give consent regardless of what is said or done by that person. Indicators of lack of capacity to give consent due to consumption of drugs or alcohol may include:~~

- ~~A. — Lack of control over physical movements (e.g., inability to walk or stand without stumbling or assistance).~~
- ~~B. — Lack of awareness of circumstances or surroundings.~~
- ~~C. — Inability to effectively communicate (e.g., slurred speech, demonstration of difficulty in choosing words).~~
- ~~D. — In a circumstance where a person may appear to be giving consent but does not have the capacity to do so, apparent consent is not effective. In such circumstances it should be assumed that the person does not have the capacity to knowingly give consent to sexual activity. A state of intoxication or impairment by drugs or alcohol does not excuse any individual from responsibility to obtain consent.~~

~~II. — *Prohibited Conduct*~~

~~The College prohibits the actions set forth below. An attempt to commit any such act or to assist or willfully encourage any such act is deemed to be a violation of this policy.~~

~~A. — Any sexual act initiated by one person without consent of the other.~~

~~B. — Sexual Exploitation~~

~~Sexual exploitation is taking sexual advantage of another person for the benefit of oneself or a third party when consent is not present. This includes, but is not limited to, the following actions (including actions undertaken via electronic means or methods):~~

- ~~1. — Recording any person engaged in sexual or intimate activity without that person's consent.~~
- ~~2. — Distributing sexual information, images, or recordings about another person without that person's consent.~~
- ~~3. — Recruiting, harboring, or transporting another person for the purpose of sexual exploitation.~~
- ~~4. — Inducing incapacitation in another person with the intent to engage in sexual misconduct.~~

~~C. — Dating/Domestic Violence~~

~~Dating/domestic violence is intimidation, harassment, physical abuse, sexual abuse, or interference with personal liberty of any person by someone who is in a relationship with that person. In addition to offensive physical or sexual contact, dating/domestic violence may include psychological or emotional abuse.~~

~~For the purposes of this policy, dating violence may occur between persons who have or have had a dating relationship or persons who have or have had a social relationship of a romantic or intimate nature.~~

~~Domestic violence may occur between persons who are current or former spouses or domestic partners, intimate partners or dating partners who share or formerly shared a common dwelling, or persons who have a child in common.~~

~~D. — Stalking~~

~~Stalking is a course of conduct that generally involves following a person on two or more occasions in circumstances that would cause such person to reasonably fear for his or her safety and may include.~~

- ~~1. — Entering or remaining on or near a person's property, vehicle, or place of employment.~~
- ~~2. — Being or remaining in close proximity to a person.~~
- ~~3. — Monitoring or conducting surveillance of a person.~~
- ~~4. — Giving unwelcome gifts or objects to a person.~~

~~5. Engaging in other repetitive contact is reasonably deemed to be unwelcome.~~

~~All forms of sexual violence/misconduct identified in this policy are also prohibited under the College's sexual harassment policy (Number 1.7). For purposes of this policy, the determination of whether any offensive conduct is of a sexual or violent nature shall be reasonably determined by the College's Equal Employment Opportunity Compliance Officer/Title IX Coordinator, taking into account the context in which the offensive conduct occurred and the relationship between any person accused of violating this policy and the victim of the alleged misconduct.~~

B. President's Report

We held convocation on August 16th. This year's event featured a well-recognized futurist, speaker and author, Jack Uldrich. His work is based on the transformational principles of unlearning as a strategy to survive and thrive in an era of unparalleled change. It was a great way to get us all thinking about how we can jump-start collaborations and innovation to help move the college forward this year, and we're excited to build on this momentum. By the beginning of next week there will be a call for volunteers who want to engage in future's work for the college in a number of areas. I am very excited to see where we will go with this work.

The fall semester kicked off last week with staff and faculty welcoming students, and Student Life holding a variety of events, including a selfie booth, lawn games, pizza with police, and more.

Classes have begun, but numbers are do not yet have final fall numbers. Because of timing of K-12 system starts, we are still in the process of registering dual credit students. Additionally, we are in the process of re-enrolling students who were dropped due to not participated adequately in the first 10 days. This is a particular problem in online courses. It is a national problem, but we all need to figure out to make particularly online students more aware that they can't wait to engage in courses

It is noted that in dropping students for non-participation an error was made in messaging and the message was more harsh than necessary. We contacted all of the students as soon as we learned of this and offered them 3 free credit hours in the spring. Thus far they have all been understanding.

We have seen a large increase in our adult ed program. We were able to get additional funding (albeit not what requested) with the closing of Lawrence Ed and have moved from 324 last year this time to 504 so far for the current year.

We hosted an AED Workforce Development Foundation and Skills USA press conference on August 1st. They, along with Congresswoman Nikki Budzinski announced a Department of Labor grant to support and develop high school apprenticeship programs and promote completion of their training in accredited programs like LLCC's Diesel Technologies program.

LLCC was at the Illinois State Fair for four days in the Illinois Community College Board (ICCB) tent (near Lincoln Stage) to share information on the wide array of educational opportunities

available from LLCC and other Illinois community colleges. Representatives from LLCC Recruitment and Admissions and academic departments were on hand with interactive activities and to talk with fairgoers.

LLCC received a major gift from the O'Shea family to establish a scholarship for students pursuing a two-year construction management degree in our Workforce Institute. The first recipient of the O'Shea Family Scholarship is Alexis Bowman of Palmyra, a 2024 graduate of North Mac High School.

LLCC ag student Malena Kirgan has been named a Phi Theta Kappa 2024 Coca-Cola Leaders of Promise Scholar and will receive a \$1,000 scholarship. This is a competitive award based on outstanding academic achievement and demonstrated leadership potential. She was one of 200 students selected from 1,500 applicants. Other recent PTK awards announced at this summer's regional conference include the chapter maintaining its Five Star Chapter status for 11 consecutive years. Gold Star is the highest level of achievement a chapter can earn. The chapter was also recognized as an Outstanding Chapter, and received second place in the Yearbook Competition, Honors in Action Project Award and College Project Award. Individual member awards were given to Olivia Marchizza, Isaac Barrett and Lexie Ebersohl. And Dr. Gillian Bauer received the Horizon Award for Advisors and Most Distinguished Chapter Advisor.

LLCC Adult Education will be hosting Conversation Tables for English language learners every Monday evening from October 7th-November 18th, at the Chatham Public Library. Information sessions are being held during September to provide more information about this opportunity with the option to register on site.

Academy of Lifelong Learning had a great fall kickoff on August 15th. Through presentations and exhibits, it was an opportunity for current members and those interested in becoming members to learn about the opportunities being planned for this academic year. We will be hearing more about our Academy during our strategic session tonight.

Bistro To Go opens next week on September 3rd and will be open Tuesdays through Thursdays, 11 a.m. to 1 p.m. in the Workforce Careers Center — offering soups, salads, sandwiches and more made by students in our culinary program. From October 22nd to November 21st, the café will transform into Bistro Verde, the casual, dine-in restaurant experience.

We will be hosting another honey harvest demonstration on September 10th. Dave Cox, professor of biology, and members of the Prairie State and Lincoln Land Beekeepers Associations will be extracting honey from the beehives we have at West Lake Nature Grove. Honey supers will then be moved to A. Lincoln Commons to extract honey from the frames, and samples of raw honey will be available.
