## Student Information

STUDENT NAME (LAST, FIRST, MIDDLE INITIAL)	SSN OR STUDENT ID	DATE OF BIRTH
--	-------------------	---------------

## Before High School Graduation

If your high school official can only fill out the Before High School Graduation section, you must have the official fill out the After High School Graduation section after you have graduated. Students cannot be awarded financial aid until a high school official fills out the After High School Graduation section and all other documents requested by the financial aid office have been received.
